2. Have you ever considered making a new YouTube channel to reach an international audience? And what are the considerations before doing this?

Not really

3. Are you aware of large US channels making Spanish channels?

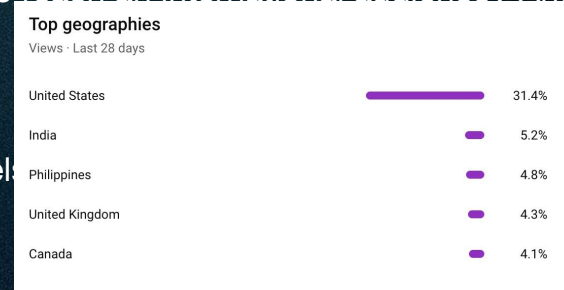

No

4. Would you be open to having your content dubbed into say Spanish or Hindi to reach larger audience and generate more revenue at no work or cost to you?

Yes

5. What are some of the considerations and would it matter if it sounded like your voice and lips matched perfectly?

As long as my message get correctly communicated across I dont really mind
